Attention: Rev. Msgr. Anthony D. Marchitelli, President
Dear Msgr. Marchitelli,
The STEPINAC High School Listen and Learn Program

The world resists change, yet progress can only be made by change

Thomas Edison - The answer was always there. It just needed to be discovered and then provided to the world for the good of all.

It seems that schools are always in need of money. A little or a lot, the ingenuity of school personnel to make what money is available to do great things is often amazing.

Equally amazing is the way people, through personal contact, can accept a message given in friendship and sincerity by someone just wanting to help through sharing a message of genuine worth.

Any school of any size can ask its students, or anyone, to hand a single piece of paper to any person of their choice with the simple question " Can you think of anyone who might be helped by learning about this new product called EnRich? " and ending with a polite Thank You for your time.

The EnRich Message will speak for itself - any recipient is either open to learning or they are not.

The EnRich Product has been researched and approved by the Small Business Association of Michigan (SBAM). The EnRich Product equips anyone that extends credit to effectively, calmly, and inexpensively protect themselves. Users of The EnRich Product are helped and supported by unlimited no charge personal service. EnRich confidently Guarantees that The EnRich Product will do what it promises – it **COMPELS PAYMENT !** - - with civility and calmness.

EnRich Michigan LLC will pay **STEPINAC High School** \$20.00 for each EnRich License connected to **STEPINAC**. Any given Licensee nationwide can only be connected with one school. **STEPINAC High School** will receive \$20.00 each time a **STEPINAC** Licensee renews – up to 5 annual renewals. If **STEPINAC** has 50 or more EnRich Licensees before June 30, 2011 it will be paid \$40.00 on original issues and \$40.00 on each renewal up to 5 annual renewals retroactively and going forward.

Knowledge is power. The EnRich Product, when coupled with the personal helping partnership that we provide, creates the type of confidence and encouragement that is often needed to work through one of the tougher emotional situations in life - getting paid as one was promised. Accomplishing that task with civility and calmness produces significant benefits for everyone.

Sincerely Yours,
